

# Muaz Khalid

## FRONTEND DEVELOPER

Frontend Developer specializing in Next.js, React.js, and frontend animations. I build responsive, interactive web applications with a strong focus on user experience and performance. Skilled in integrating GSAP and Framer Motion to craft smooth, engaging UI interactions, combining technical expertise with creative UX design.

**Phone:**  
+92 331-6534630

**Email:**  
Muazkhalid936@gmail.com

**Address:** Lahore, Pakistan

## SKILLS

**Languages:** HTML, CSS, Javascript, C++, Assembly

**Frameworks:** Next.js, React.js, Vue.js, Node.js

**Libraries:** GSAP, Framer Motion, Tailwind CSS

**Tools:** Git, Restful APIs

## EDUCATION

**Bachelor in Computer Science | 2022-2026 (Present)**

University on Engineering and Technology, New Campus

- GPA: 3.06 (6<sup>th</sup> Semester)

## EXPERIENCE

**Frontend Internship | Oct 2024 - Dec 2024**

ATechSole

- I contributed to the design, development, and maintenance of web applications using technologies like HTML, CSS, JavaScript, and React.js
- I collaborated with senior developers to troubleshoot issues, optimize performance, and implement new features.

**Frontend Engineer | Jan 2025 - April 2025**

ATechSole

- Developed and maintained dynamic, responsive web applications using React.js and Next.js, improving user experiences and application performance.
- Integrated GSAP and Framer Motion to create seamless animations and microinteractions that elevated the overall design quality and user engagement

## PROJECTS

**Codehive - Agency Portfolio**

- Built a responsive and animation-rich company site using Next.js, GSAP, and 3D models for a Dubai-based software house. [Live Site](#)

**ATechEdu - AI LMS**

- Developed the frontend and integrated APIs for an AI-powered learning management system using Next.js.

**Wax Paper - Agency**

- Designed a responsive static website using HTML and CSS. [Live Site](#)

**E-commerce Store**

- Built a full-stack ecommerce application using Next.js with features like dynamic product pages, cart, checkout, and API integration.

**Personal Portfolio**

- Created a highly interactive and visually engaging portfolio using Vue.js and GSAP animations, featuring smooth transitions and modern UI/UX. [Live Site](#)
